

THEIR VERSION OF STORY LAND

Months of preparation, weeks of planning, days of practice, finally reached their culmination on 28th January when amidst a lot of excitement and activity the curtain were raised on the concert of Al Diyafah High School. It was the day every single child of Yr 1,2 and 3, his/her parents and their teachers eagerly waited for 'The Annual Concert!' The thumb pointing to their heart was the signature move of Year 3B and C. They conveyed to everyone that happiness laid within our heart through their play "The Enchanted Shirt". The story based upon how a person can be happy even when he has no shirt on his back. Can you imagine the Beauty and the Beast in a Red Indian setting! Year 3A and D made that possible too. The children were looking stunning in their Red Indian costumes and accessories. Splendid co ordination between the mind and body was displayed by the students. The students of Yr 3 amazed the audience with their stunning acting ability and dialogue delivery. Though the weather was cold, the students' enthusiasm got them the laurels they deserved. When everybody left the arena, there was one question popping up in their minds, 'Do we really have to wait for another one year for the next concert?'
