

A GR8 FINISH, IT'S THE FOOD BAZAAR

The food bazaar held on 20-01-10 was a lot of fun. Many students participated enthusiastically either getting food to be sold or eating it with gusto.

The money from this bazaar will be sent to help 'children in Haiti'. We have raised around Dhs.5000/- from this Food Bazaar.

Apart from that it also taught us to choose what we want, to take only as much as we need and not to waste. Our teachers' always make sure there's more than a lesson learnt in whatever we do!!!

Al Diyafah High School has done a wonderful job! When will Al Diyafah have its next food bazaar. only time will tell. Hope it's soon, but not for any disaster relief!!!!!!!!!!!!
