

KINDERGARTEN SPORTS DAY (2009 -2010)

Kindergarten sports day is the time of the year when the children march, exercise, run and compete. JKG and LKG performed colourful drill – displaying pompoms, instruments and UAE flags and banners. The field was beautifully decorated with props made by teachers using Christmas and UAE themes.

The main attraction was the novelty races based on the UAE theme. There were Pearl Divers, Football Players, RTA workers, Construction workers etc.

Parents gathered in huge numbers to boost the confidence of the children and their enthusiasm was noteworthy. The children put in their best to win the prize.
