

On behalf of Years 6B and 6B1, I the head boy Shashank Sharma thank Violet ma'am for organizing the overnight camp and giving us this unforgettable event.

After a long wait, our Class VI had the overnight camp in the school premises on Thursday night, 11<sup>th</sup> February, 2010. I packed my bag with all the stuff required for the night (including a torch) and arrived at the school at 6.15 in the evening.

We had fun right from the word go. We started playing football and basketball. I enjoyed the most by playing my favourite - football from 6:30pm to 10:30pm.

I really enjoyed our one night stay in the school because I became friendlier with my classmates, and I really enjoyed each moment under the guidance of Ms.Rosy Pereira, Ms.Girija Gopalakrishnan and Ms.Sumati Vineet.

The overnight camp was a great camping experience for me. We did some skateboarding too. This was one of the best days of my life.

After the Football Match we started the barbeque. That was the most exciting moment for me, as I was helping with the barbeque for the first time. While it was getting ready, we played more games. The non-vegetarians got food from KFC and the vegetarians from Pizza Hut. We were shouting 'woo hoo' ! That was awesome. We slept in the activity hall. We got up at 5 in the morning and played Soccer for an hour before going home. This was the most memorable event in my school life yet.

A fantastic overnight took place on February 11<sup>th</sup> 2010. Almost all Year 6 boys were there. We played basket ball and football for most of the evening and then enjoyed a sizzling BBQ. A boy named Simon celebrated his birthday at the camp. We sang for him and then enjoyed his delicious birthday cake.

We had ghost story time-that scared a lot of boys out of their shirts. Before we went to sleep we tried to watch a movie called 'Pearl Harbour' but were all soon fast asleep.

We had a great time at the overnight camp. The camp was organized for the boys of Grade 6. The attendance among the students was almost 90%. It taught us how to be independent. The football match was between 6B and 6B1. 6B1 defeated 6B by one goal.

We went to sleep past midnight. We woke up early the next morning, brushed our teeth and started to play again. Our parents picked us up between 7 am and 8 am. We all returned home safe and happy.

We thank our teachers and the school for having organized the overnight camp which was a great success. It was an exciting and awesome experience!. I am looking forward to the next overnight

The overnight camp at ADHS was an exciting and an interesting experience for me. We arrived at school around 6:00pm and spent two hours playing basketball, football and other games. The non veggie barbecue was a hit with sizzling sausages and chicken tandoori. Mrs. Girija Gopal prepared a 'veggie' barbecue for the vegetarians.

We heard a rumour that there was a ghost haunting the second floor. Everyone started talking about this and some children even said they had seen it with white hair and that it looked like Albert Einstein.
