

## THE GIRLS OVERNIGHT CAMP

It was held on 14 January 2010. The girls' overnight camp was a fantastic experience for my friends and me. The girls and I were all geared up for a fun time with our class teachers and the Assistant Head Of Department.

When everyone reached the campus we started to play basketball and football. Then we had the Talent Show. Most of the kids had fun displaying their talent.

After that, we had a Cookery Show, which was really exciting because each group put up new dishes, which we hadn't been heard of before, kind of whacky! After everyone made their favourite dish. We had a hot and spicy barbecue. Without the help of the security man of our school, we wouldn't have made hamburgers and marshmallows. Later, we all were getting a bit exhausted but still we listened to the spooky and scary stories told by our friends.

Then, we had dinner, which was KFC for the non- vegetarians, and food from Pizza Hut was for the vegetarians. After that, we had the Fashion Show. Everyone was looking very dashing on the ramp. The audience and judges were very impressed.

Finally we packed our bags and headed upstairs. We watched a boring movie that night. So, some of us went to sleep but we couldn't as others were making so much of noise. We hardly slept. In the morning we had chocolate milk and a chocolate chip muffin. We all enjoyed our overnight camp thoroughly. I look forward to having another overnight camp just like this.

## My Overnight Camp – 14-January-2010

The day we got our diaries for the academic year 2009-10, I happened to see the events regarding the overnight camp for girls. I was waiting patiently for the day to dawn. We friends started planning weeks before the actual day came and finally it was there – 14<sup>th</sup> January 2010.

Our teachers told us to get our sleepover mattresses and stuff for the night. Our parents left us at the school premises and our much awaited camp began.

We met up with our friends and teachers (Mrs.Summanty, Mrs. Sony & Mrs. Violet Machado) as they were coming in at the allotted time. So excited and thrilled we started discussing how we would plan our night. ALL GALS NITE OUT!!

We had a warm up session of basketball. All geared up we had an awesome talent show later where we girls displayed our hidden talents.

Next the models walked down the ramp. We Diyafites proved that we were a tough competition for Ms World and Ms Universe.

Trying our luck on culinary skills, we had a successful cookery show followed by the grand finale – the BBQ night to suit our taste buds.

After our sumptuous meal, we were given meals from KFC and Pizza Hut to fill our tummies as we had a long night ahead.

We brushed our teeth and changed into our night wear, went to the Activity Hall. Teachers expected us to sleep but we were the owls of ADHS awake all through the night chatting and having fun even though there was a movie going on "Imagine that".

Suddenly the sun's rays hit our eyes and it was morning. Our slumber land dream was coming to an end.

We freshened up, had a light snack and then came our beloved parents to take us back to our Home Sweet Home.

I will always cherish these moments spent at my ALMA MATER for years to come.

## NEW YEAR'S BASH!!

As soon as we reached school on the 3<sup>rd</sup> of January, after the winter break, everyone was buzzing round the school talking about the overnight camp the girls of Year 6 were to have. I was excited too. For the first time I was going to an overnight camp in school. Later that week at our school assembly our Head of Primary, Mrs. Radha Swaminathan mentioned that the overnight camp for the girls of year 6 would be held on the 14<sup>th</sup> of January 2010. Every 6<sup>th</sup> grader jumped up with joy. We were all talking only about the overnight camp. Every girl was waiting for that day. when we would all meet in school and have fun. Finally, after a week, that big day came for all of us. We all said goodbye in the afternoon and in the evening we were back. We all arrived at 6 p.m. I was really excited. We had arranged for a fashion show, a talent show and a cookery competition too. To top it all we had the basketball court and the football field all to ourselves. Everything was only for us. I brought a barbeque stand and we lit the fire and roasted marsh mallows, burgers, paneer and sausages as well. It all tasted so delicious, more so cause it was cooked by us. The talent show had many of my classmates dance and sing to their heart's content. Later we had a cookery contest and my group and I made a salad with chocolate and a chicken sandwich. Everyone enjoyed it. We then ate our dinner. The school had ordered KFC for those who wanted to eat non veg. and Pizza for those who wanted to eat veg. We wound up on the grounds with the tantalizing fashion show. We all walked the ramp, but the show stopper was Christa our class teacher's daughter. It was almost midnight when we cleared the grounds and all trooped into the A.V. Room on the first floor. It was here that we were to spend the rest of our time at school. After getting set for bed, we watched a movie. All of us were talking and chatting after the movie. It was already 4 o'clock. The time passed by so quickly. I didn't want to sleep neither did I want to go home. After sometime everyone was quiet and then we all slept for an hour. At 7 a.m. we all were awake and were getting dressed to go back. Everyone was sad and didn't want to go back. It was 7:30 when my friend's mother came to pick us up. I didn't want to go back. I said bye to everyone and left. When I reached home I was really tired because I did not sleep at all. That day I slept from 8:00 in the morning to 5:00 in the evening. I missed the solar eclipse too because I was sleeping and I did not bother getting up. I am surely looking forward to another overnight camp at school.

## Super Sleepover

*On the 14<sup>th</sup> of January we the girls of Year 6 got together for a time of sports, singing, dancing and of course fun.*

*We started with the talent show. Dancers from 6G1 wowed the crowd with their moves. 6G's best singer Afreen and 6G1's best dancer Hannah paired up for a memorable duet of Miley Cyrus's 'Party in the USA' which was simply amazing.*

*Then came the fashion show! 6G's Sanjana strutted down the aisle in a gorgeous white gown. Meanwhile Maryam and Afreen blew the crowd away with their matching pink and black animal print tops.*

*Then, while half of the girls trooped off to make healthy snacks, I stayed behind with the others for a good barbecue. Burgers, sausages, kebabs, you name it, it was there. Raw and soggy that's how they came, hot with yummy tastes and smell, that's how we ate them.*

*We then went to the AV room to sleep. We watched "Imagine That" which was fun. When the movie ended we played cards and ate chocolates, chips and sweets – it's a good thing my parents weren't with me. We finally slept at around 3 am.*

*The next morning our parents picked us up. The previous night had been a night to remember and remember it we shall for the rest of our lives. Thank you teachers for organizing the camp for us.*
