

ANNUAL SENIOR SPORTS DAY 2009

With the mornings of Sunday the 7th and Monday the 8th of November, 2009, came the prospect of an event many of our Senior students eagerly looked forward to – The Annual Senior Sports Meet. The boys had their events on Sunday whereas the girls had theirs on Monday.

The events began with a display by our school band followed by the 'Walk-Past' of all the athletes taking part - led by their respective House Captains, Student Council Heads and Sports Captains. The Meet was then declared open by our Principal after the Sportsman's Oath was taken and Torch was lit.

The weather was sunny, but not hot, breezy but not windy, and proved an excellent atmosphere for every athlete out there to reach for the ultimate glory – the Individual Championship of each of the 3 categories: Juniors, Intermediates and Seniors.

Throughout the day, the best athletes from each of the four houses waged a war against each other to prove that their house was the best. With an intense look in their eyes and a rush of adrenaline in their blood, these motivated competitors were driven by a single purpose – to do whatever it takes to be crowned the best athletes in school.

To change the flow of events, there were also Sac races and Sprints for the Parents and Teachers present. Every race was a hard-fought battle with high-quality displays of athleticism, sportsmanship and positive rivalry.

The days finished up with a Tug-O-War between the houses of the Junior and Senior categories with the respective winners of the Senior category then battling the Ladies and Gents Staff Members, and the distribution of the medals and coveted Championship awards, of which the following were the recipients:
