THANK YOU AL DIYAFAH HIGH SCHOOL

The students at **Al Diyafah High School** have been so kind to us by developing an event at their school towards our children and their families.

These kind students conducted a food sale to raise funds towards our work, and have been so successful that they managed to collect an attractive amount having transferred a donation of **5600 Dirham's** to our bank account!.

It was a very nice surprise when the **Al Diyafah High School Principal, Joyce Rufus**, got in touch with us to announce this kind donation.

We wish to present our huge thanks to Joyce Rufus and to her students in Al Diyafah High School who proudly have run this event to collect funds towards Maria's work to enhance the lives of the most in need in Dhaka!
