

AL DIYAFAH HIGH SCHOOL
IGCSE / A Level, affiliated to University of Cambridge

Dear Parents and Students,

On behalf of the Management and Staff of Al Diyafah High School, I take this opportunity to wish you a very Happy New Year.

We hope the coming year brings with it fulfilment and blessings. Let us keep in mind, the choices we make, the words we speak and our actions, impact not only our lives but the lives of those around us.

A New Year is about new beginnings. Persevere and work with commitment and most things are attainable. There is no harm in having dreams and aspirations, but let these be based on a set of values. Work towards achieving your dreams with full passion and dedication. By removing self-imposed boundaries, you obtain limitless possibilities. Develop the courage to go after your goals and believe that small things *can* make a big difference.

Our KG children will soon begin to prepare for their 'Food Bazaar,' Years 1 to 3 will begin to rehearse for their concert, Year 6 look forward to the overnight camp in school while the senior students are gearing up for the Inter House Quiz and the Inter School Basket Ball tournaments.

We would also like to inform you, like all other schools in Dubai, we too will undergo an inspection by the Knowledge and Human Development Authority (KHDA). The dates for our inspection are from 31st January to 3rd February 2010. We look forward to this initiative of the Dubai Government to improve the quality of education. **The Dubai School Inspection Bureau has requested ALL parents to fill an online form. Please ensure this is done and submitted as per the letter sent through your child along with the user name and password. Your quick response reflects our commitment as teachers and parents.**

There is all this and more, that we look forward to, in the coming month.

May the coming year bring Blessings upon all your endeavours.

Best Wishes

Joyce Rufus
