

# REBUILD PALESTINE

Start with Education.

January 8-11, 2015

On Saturday, 8<sup>th</sup> January, more than 50 AS and A level students participated in the four day initiative of assembling 50,000 school kits to be sent to the children of Gaza, to address the shortage in basic educational supplies. The kits would be given to children currently studying in UNRWA schools. Volunteers had to sort notebooks, sketch books, geometry kits, calculators, pencil cases, pens, pencils, erasers, sharpeners,
