ADMUN 2020

The 3-day simulated Al Diyafah Model United Nations Conference 2020 (ADMUN 2020) came to a rousing adjournment on 18th January 2020. The core executive committee – Shaurya Chandravanshi (Secretary General), Muhammad Annas (Deputy Secretary General), Adil Shaik (Head of Logistics & Finance), Sheetal Alex (Head of Communications), Vidya Vardhini (Head of Volunteers), Bradley Carr (Director of Hospitality) and Veena Madhu (Programme Director) ensured that the ADMUN 2.0 was creative, diverse and one of resounding success. The six committees of the conference tackled topics that were very relevant and framed and passed resolutions to that effect. The third day was marked with a debate showcase, awards and farewells! This conference was a learning experience for the beginners and sharpened the diplomatic skills of the experienced ones. Kudos to all!
