Dubai Cares - Walk for Education '18

On **Friday, 16th February, 2018**, Diyafites participated in the **9th Walk for Education** organized by Dubai Cares to show support to children, of developing nations, who walk long distances to school everyday. Parents of many students joined us in the **3km** walk. T-shirts were bought on the day of the walk itself as the organisers ran short on some sizes. On the day of the walk, students assembled at Gate No: 2 at 8:30 am. The walk started off at 9am and ended at 10:30 am. Each participant paid a registration fee of **AED 30** and the proceeds went for schooling of children in developing countries.

The 45 minute walk was on the main road (Riyadh Street) outside the Creek Park which was cordoned off to traffic for 4 hours. There were free post-walk activities which many students and families stayed back to participate. It was wonderful opportunity for students to volunteer their time, enjoy fun activities with family and friends and make a difference.
