The Student Council Investiture Ceremony – The prestigious and the most eagerly awaited inaugural event of Al Diyafah High School Dubai was held on September 18, 2018 on the school premises.

The Principal, Mr. Phillip Burgess addressed the gathering. He advised the Student Council to shoulder their responsibility efficiently and to be role models to their peers and set high standards for their juniors to emulate. The march by the Student Council led by the school band was spectacular which set the mood for the event. The Office Bearers, SRC delegates, Eco Envoys and the Editorial team were formally invested with badges. The Head of School, Ms. Neetha Shetty, administered the oath.

The Choir had a melodious and inspiring song which perfectly suited the occasion. The song told the students how to overcome their challenges and never give up whatever the situation may be.

The two enterprising and promising gentlemen Daniel Cardozo of Y13 and Arafat Qadri of Y12 were felicitated for designing the badges for the Sports Captains and designing the forms for online elections respectively.

The Head Boy and Head Girl from the Primary and Secondary school delivered their acceptance speech promising to serve the school and thanking the teachers and their peers for the entrusting them with their titles. The programme came to an end with the Vote of Thanks delivered by the Head of Primary, Ms. Padmaja Menon, who thanked her colleagues as well as the Support Staff, parents and the students for their cooperation and effort in making the event a success. The curtains were drawn with the school song.

Diyafites are born for greater things, because they dare to dream. It has been invested upon them through the values and ideals that they have been taught. It is seen when they Let Their Light Shine.
