

Celebrating **38** Years of Excellence

Investiture Ceremony – Student Council 2019-20

The Investiture Ceremony was held in the school campus where the newly elected Student Council members marched down the aisle with their sashes and flags. It was a day of colours, excitement and exuberance for the school and proud parents, who came to witness their child take new leadership roles. The event signified the reliance and confidence the school consigned in the newly invested leaders. Donning the mantle of accountability, they pledged to bestow their duties to the best of their abilities. The Principal in his speech exhorted the students to read up on world leaders, and look up to one inspirational leader to be motivated by.
