On 20th April, 2016, ADHS held a charity carnival at school along with the Annual Blood Donation Campaign. The Diyafah community – Students, Parents and Teachers were given the opportunity of setting up stalls -food, games, books, memorabilia items. The proceeds from the carnival are to go to a Goa - India based Special Needs Organisation – ‘**Divya Sadan**’. The Islamiyat department too participated in the drive to raise funds. There was a corner dedicated to Islam and on display were Islamic books, scarfs and food items. Students took great interest in the Islamic stall & the books on display.
