FACT SHEET

The OECD's PISA 2022 tested around 690,000 15-year-old students in 81 countries on reading, science and mathematics. The study is completed every three years.

UAE average scores were notably lower in reading compared to 2018 but were similar to previous scores in science and maths. The UAE's scores are also below the OECD averages of 476 for reading, 485 for science and 472 for mathematics.

840 schools in UAE took part in PISA 2022.

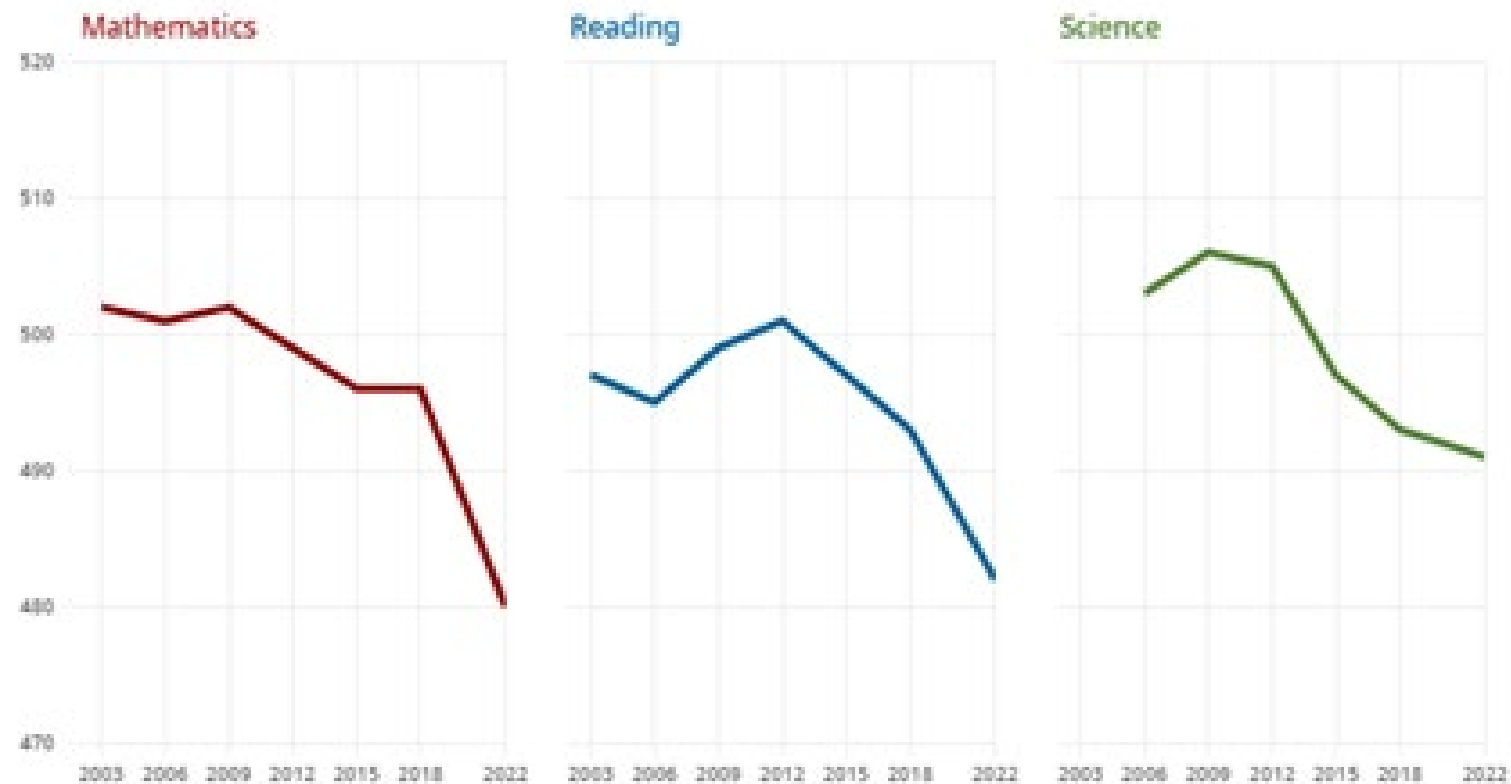

Dubai Private Schools have improved their PISA ranking.

79 students from Al Diyafah High School participated in this assessment.
