Unleashing the power of reading.....to dream, to learn, and to help us build a better tomorrow !

Diyafah celebrates World Book Day 2020

It was a non – student, no class day for the students on April 23rd, and so they celebrated the day at home in different ways...Some of them dressed up as their favourite story-book characters, some made up the doors of their room like the cover page of their favourite book, while some simply engrossed themselves in the sheer luxury of reading! Happy Reading ! Happy World Book Day !
